#### **Covid-19 Information:**

The board of School Sport NZ have confirmed that all School Sport NZ sanctioned events in 2022 (including the holidays) will be restricted to fully vaccinated participants, aged 12 and over, only.

The Team at the GO-4-12 Youth Adventure Race have been working hard to ensure that we are able to run a fun and safe event for our participants and this will mean some changes to what we normally do. Please note that in order to hold the event we need all people present at the event to be vaccinated and to have and present their My Vaccine Pass.

These are the measures in place for the 2022 Event.

- We will require all people present at the event to have and present their **My Vaccine Pass**.
- We will be asking all involved, schools, supporters, volunteers, staff and teams to establish bubbles.
- We will be limiting numbers that gather, be using masks and following the guidelines that have been put in place by the Government.
- We will be starting the events in waves, with Female, Male and Mixed Teams being separated at the start.
- Masks will be used at special activities, where there is an interaction between bubbles.
- Registrations, Gear Checks and Briefings will be structured in line with the Government recommendations.
- Spot prizes will be given out at registration for all events
- The 12-hour event Prize Giving Brunch which is usually held on Sunday will not go ahead unfortunately, we will announce the winners straight after the event on Saturday at about 6.30 pm (this is subject to change but you will be notified).
- TBC - There will be no dinner provided on Friday night so you will need to be self-sufficient for all your meals and stay within your bubble.
