What is our vision?

We want to challenge and to grow young people through a quality adventure race, that will inspire trust, teamwork and self-belief in an environment that embodies and promotes holistic growth and healthy competition.

The 6 Hour Adventure Race is designed to be fun and will test and grow teamwork, problem solving and perseverance. The 6 Hour Adventure Race is more physically demanding than the 3-hour event and provides a bridge into the 12 Hour Event. The event was developed as it was identified that 12 hours was a bit daunting for many competitors, so we created an event that can be completed by most active teenagers.

**We rely on the outdoor community to support this event for the youth in NZ. Come and be part of this great event. Contact us to be involved.**
